

Hello,

I am Chelsea Langley-Smith

I am a CanSkate and Regional coach for Trenton Figure Skating Club.

I have achieved triple gold status by completing all tests in the disciplines of Artistic, Skills, and Dance.

My coaching philosophy is to create an environment of sportsmanship. In hopes that skaters will stay in the sport and feel safe to take on new challenges as they will have support without judgement.

While coaching I believe that having a team oriented environment in an individual sport will help shape athletes performances and long life joy for the sport. I will commit to promote respect and encouragement among my skaters and fellow coaches. I will do this by creating opportunities for everyone and recognizing everybody's individual hard work and achievements.

I will be attending Loyalist college in the fall for Occupational and Physiotherapy assistant.

I am currently accepting Star Skaters for private, semi private and group lessons please inquire for rates
